

Bug report

#DEF-001

Title: Adding items without filling in the name field

Description:

The system allows adding items with no name, even if the [ADD] button is disabled

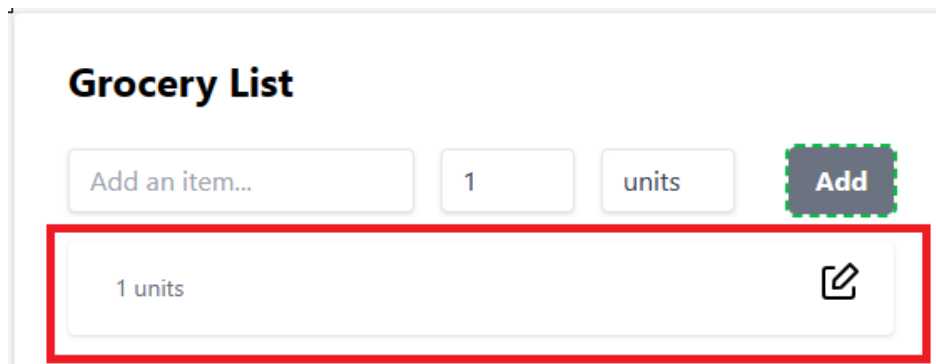

Steps to reproduce:

1. Go to <http://localhost:5173/>
2. Click on [ADD] button;

Expected result:

The system does not allow adding items with no name

Actual result:

The screenshot shows a web interface titled "Grocery List". At the top, there is a form with three input fields: "Add an item...", "1", and "units". To the right of these fields is a green "Add" button with a dashed border. Below the form, a red rectangle highlights a list item that has been added. The list item consists of a white box containing the text "1 units" and a small icon of a notepad and pencil to its right.

#DEF-002

Title: Adding items with negative value of quantity

Description:

The system allows adding items with negative values of quantity

Pre-condition:

Any editor app (e.g. Notepad) should be opened to type there a negative value (e.g. -1) and copy it to quantity field

Steps to reproduce:

1. Go to <http://localhost:5173/>
2. Copy the negative value from editor and paste it to quantity field

Expected result:

The system does not allow adding items with negative values of quantity

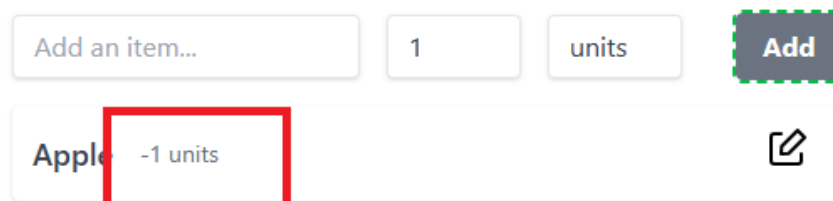

Actual result:

Grocery List

A screenshot of a web application titled "Grocery List". It features a form with three input fields: "Apple", "-1", and "units". The "-1" field is highlighted with a red rectangular border. To the right of these fields is a blue button labeled "Add".

Grocery List

A screenshot of the same "Grocery List" web application. The top form has "Add an item..." in the first field, "1" in the second, and "units" in the third. The "Add" button is now greyed out and has a green dashed border. Below this, a list item is displayed: "Apple -1 units". The "-1 units" part of this list item is highlighted with a red rectangular border. To the right of the list item is a pencil icon for editing.

#DEF-003

Title: Changing items with negative value of quantity

Description:

The system allows changing the quantity value to a negative value

Pre-condition:

At least one item should be created

Steps to reproduce:

1. Go to <http://localhost:5173/>
2. Add a new item (fill in the name field and click on [ADD] button);
3. Click 'Edit' icon located on the right side of the created item (the 'Edit' panel should be displayed);
4. From 'quantity' field perform the mouseover action(the up and down icons should be displayed);
5. Click on 'down' icon until the negative values are reached;
6. Click on [SAVE] button

Expected result:

The system does not allow changing values of quantity with negative ones

Actual result:

The image shows two screenshots of a web application. The top screenshot is titled 'Edit Item' and shows a form with a text input field containing 'Apple'. Below it is a quantity field with '-1' entered, a 'units' label, and a blue 'Save' button. The bottom screenshot is titled 'Grocery List' and shows a table with two rows. The first row has an input field with 'Add an item...', a quantity field with '1', a 'units' label, and a green dashed 'Add' button. The second row has an input field with 'Apple', a quantity field with '-1 units', and an edit icon. Both quantity fields (-1 and -1 units) are highlighted with red rectangles.

#DEF-004

Title: 'Edit' panel is not closing with 'Esc' key

Description:

The system doesn't allow to close the 'Edit' panel by clicking the 'Esc' key

Pre-condition:

At least one item should be created

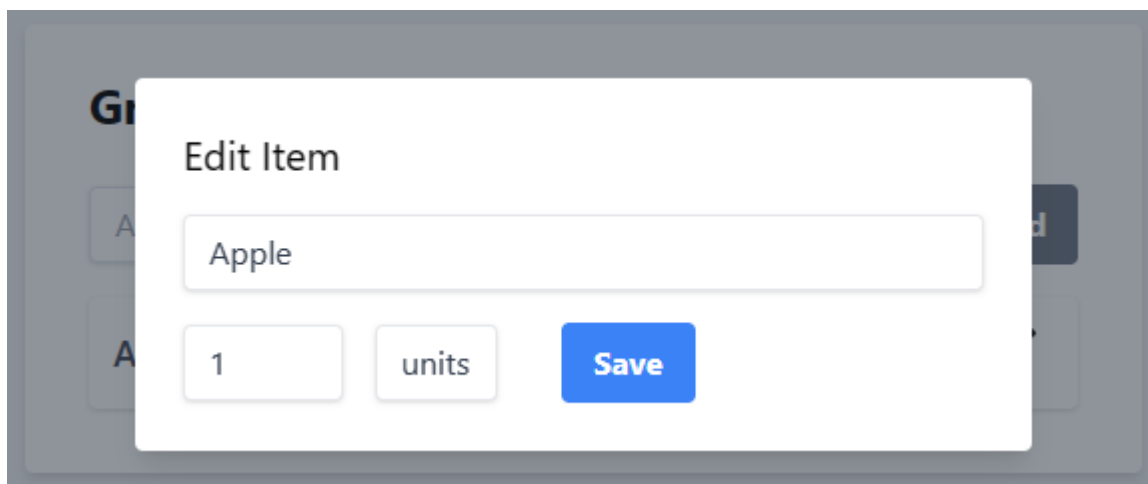

Steps to reproduce:

1. Go to <http://localhost:5173/>
2. Add a new item (fill in the name field and click on [ADD] button);
3. Click 'Edit' icon located on the right side of the created item (the 'Edit' panel should be displayed);
4. Click on 'Esc' key

Expected result:

The system is not closing the 'Edit' panel after clicking the 'Esc' key

Actual result:

#DEF-005

Title: Missing option from unit dropdown of 'Edit' panel

Description:

Before adding a new item, the system is allowing to choose one of the 3 options from the unit dropdown field: units, pounds and cups. After adding a new item and editing it, there are only 2 items left: units and cups; the 'pounds' item is missing from the unit dropdown of 'Edit' panel.

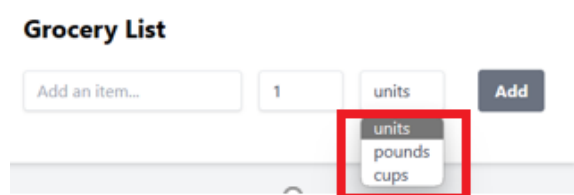

Steps to reproduce:

1. Go to <http://localhost:5173/>
2. Add a new item (fill in the name field and click on [ADD] button);
3. Click 'Edit' icon located on the right side of the created item (the 'Edit' panel should be displayed);
4. Click on unit dropdown to display the available options

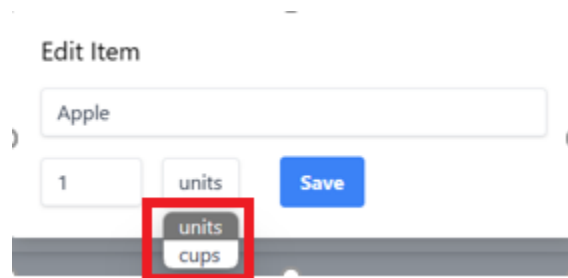

Expected result:

The same options from unit dropdown field to be present when creating and editing an item

Actual result:

Add item

Edit item
